Employment

Pinckney Hugo Group

Syracuse, NY

July 2018 - Present

- **Senior Interactive Designer** — Still working on high-level concepts for the client, while executing websites, landing pages, and email but also developing, teaching, and training junior designers.

July 2015 - July 2018

- **Interactive Designer** — Designing and coding web materials with more thought behind the concepts, strategy, goals, & needs of the client. Projects often consist of landing pages, websites, responsive emails.

July 2013 - July 2015

- **Junior Interactive Designer** — A member of the interactive department working primarily on emails and banner ads. Projects are often designed to be responsive with consideration to the content, audience, and user interface.
-

WYNIT Distribution

Syracuse, NY

December 2011 - July 2013

- **Associate Graphic Designer** — Member of the marketing team. Working in house on projects that included weekly website banners, advertisements, trade show materials, sales sheets, and magazines.
-

Isca Design

Oswego, NY

May 2010 - May 2011

- **Staff Designer** — A part time job in which I was taught how to prepare for press, typesetting, and design skills. I worked on brochures, posters, logos, websites, fliers, and more. Which included a forty-eight page magazine for Syracuse Invitational Horse Show, while balancing my workload with several other projects and deadlines at the time.
-

Design Department

Oswego State University

August 2010 - May 2011

- **Teaching Assistant** — Assisted professor for Digital Illustration class. Instructed students on usage of Adobe Photoshop, Adobe Illustrator, and Corel Painter. An opportunity in which I was able to learn more about printing using large format Epson printers to print in RGB.
-

Oswegonian Newspaper

Oswego State University

February 2009 - May 2010

- **Staff Designer** — Volunteer work on a weekly basis. Designed graphics for cover and layout consistently.
-

The Daily Orange

Syracuse University

June 2009 - August 2009

- **Internship** — Created logos, fliers, posters, and advertisements for The Daily Orange, 'CuseList.com, Caz Limo, and the Eastwood Skatepark. A bi-weekly deadline creating graphics for client specifications.
